

Teacher Participation Feedback Form

Primary School Energy Mapping Challenge

In order to improve, we need your help. Could you please fill out the feedback form below. Thank you very much, we really appreciate it!

Please circle or highlight the word

1. Does this programme match well with the topics taught in your class?

Strongly agree	Agree	Neutral	Disagree	Strongly disagree
----------------	-------	---------	----------	-------------------

2. Was the technical information at an appropriate difficulty level for your students?

Strongly agree	Agree	Neutral	Disagree	Strongly disagree
----------------	-------	---------	----------	-------------------

3. How confident do you feel when teaching about energy and other STEM-related subjects? (scale 1-10; 10 being extremely confident)

1	2	3	4	5	6	7	8	9	10
---	---	---	---	---	---	---	---	---	----

4. Please provide any further comments or feedback that you have. This will be extremely helpful to us looking forward. (e.g. How easy was it to use the website?)
